from statement date.

Any account over 45 days will be put on a C.O.D. basis, unless prior arrangements have been made

A mandatory \$3.50 disinfection fee will be applied to each case.

* Please note: There will be an additional charge for yellow high noble and/or metal if the metal weight exceeds 1.5 .dwt.

Typically, yellow high noble is significantly more expensive than other high noble metals.

If metal preference is not noted on the lab script, there could be a delay in the case.

Fees are subject to change without notice
